**GENETIC  
BALANCE**

*SimGenetics Sale*

The 14th Annual Brant Farms Genetic Balance Sale was held Monday April 23rd at the farm near Hinckley, MN. This was a postponed date from April 14th due to the massive snow issue and it was a welcome site on sale day to see bright sunshine and very little snow. What a difference 9 days can make! A good size crowd attended and a very large number of breeders were on liveauctions.tv to select the very popular Brant Farms genetics.

On behalf of the entire crew at Brant Farms, thank you--we continue to be blessed with your support for our breeding program and we strive each day to improve our genetics for your profitability.

*Compliments of Brant Farm, 2 pork bundles with coolers were in the drawing after the sale. The two lucky buyers were Dan Lehrman of Lehrman Family Simmental in Spencer, SD and Jess Moe of Knapp, WI.*
