JF Bull Customers,

We are extremely excited about this set of Simmental, Angus and SimAngus bulls! They are truly Scalebuster **"BEEF BULLS"** that will add pounds to your calf crop and money in the bank! The female mates to these bulls set an all-time record in the 2009 JF "The Chosen Few" sale last fall, and we really believe that these bulls are as good as or better in quality than their sisters.

We cut about one-third of the male calf crop this year, in order to offer only our best to you. All bulls sell with the exclusive Janssen Farms Quality Guarantee. We hope to see you at the "Scalebuster" sale!

Dave, Chris and Jon JANSSEN FARMS

SEMEN INTEREST: Janssen Farms will be retaining 1/3 semen revenue sharing interest in every JF bull selling in this sale. Full Lifetime Possession and Salvage Value and 2/3 Interest will sell!
