**SALE REPORT**

## With much appreciation from the Walsh Families...

**2019 Walsh Simmentals The Final Chapter Dispersal Sale**  
**Sunday, September 29, 2019 • West Point, NE**

The Walsh Simmental Complete Dispersal is now in the history books and it was a very successful event for the Walsh family to exit the cattle business. Buyers and bidders from 27 states and Canada were in attendance or on the hot internet line for live auctions.

Thank you...cows will come and cows will go but the friendships will last a life time. On behalf of the entire Walsh family, we are honored for your confidence in our breeding program and to share our 45 years of breeding Simmental cattle. Best wishes to all for your success with our genetics.
