Dear Friends,

Welcome to the RS&T Simmentals, LLC- Private Treaty Bull Sale. The Simmental breed has evolved with a focus on improving the breed within the cattle industry and RS&T has put a focus on performance, calving ease and maintaining a great phenotype. We have taken a number of old show heifers and crossed them with performance bulls to make a great set of bulls. Check out this offering and I am sure you will appreciate the power, genetic profiles and overall quality of these bulls. Breeding decisions are key to the success of your program, and ours, focusing on performance with calving ease makes the cattle industry a joy. A diversity of pedigrees are available from Profit to Poncho to ES Right Time to LCDR Reserve, help yourself. Rising input costs, high fuel prices, inflation and uncertain times has us all focused on doing things more efficiently. Check out the EPD's, phenotypes and overall genetic profiles to improve your calf crop with these herd bull prospects. This year we are offering a select group of fall heifers that are AI safe to make you money. We have a select group of fall pairs that will be priced with a load and go price.

Thank you sincerely for evaluating, evaluating and joining us for this sale. Give us a call or stop by the farm or give the sale management, consultants, or RS&T Simmentals, LLC crew a call to discuss adding a new herd sire or select group of Fall Pairs that will be available for sale.

Sincerely yours,
Scott Cowger 816/304-0371
