SimMagic On Ice 2016 Sale Report

Saturday, January 16, 2016 • Denver, Colorado

The 7th annual SimMagic on Ice was held on Saturday evening January 16th at the Double Tree/Denver Central, Denver, Colorado. Events like this happen with great sponsors working as a team, this includes sponsorships of Trans Ova Genetics, Cattle Visions, EDJE and Jame Secondino Krieger with American Livestock. The evening started with a donation from Trans Ova Genetics for the American Junior Simmental Merit Award program. It consisted of an IVF Cycle using reverse sorted semen. This was purchased by Circle M Farms and Owen Brothers Cattle Company for \$2,500. The overflowing crowd of Simmental enthusiast packed the ballroom of the Double Tree to select top frozen genetics of elite embryos and semen.

THANK YOU 2016 SPONSORS!
