2022 The One & Sim Magic on Ice Sale was held on Saturday, January 15th at the National Western Stock Show in Denver. The sale kicked off with donations for the American Simmental Simbrah Foundation with the highlight being the Christensen Arms Model 14, 6.5 Creedmoor Rifle donation by Eichacker Simmentals. At the end of the night, we raised \$23,800 for the ASF Merit Program and CSA. Breeders who contributed included: Circle M Farms (who won the rifle as well as), the ASA Trustee Group, Werning Cattle, Mike Henderson, Martin-Trudeau Insurance, Innovation Ag Marketing, CK Cattle, Independent Cattle Farm, Rocky Hollow & Ruble Ranch. As always, another sale highlight was the Trans Ova donation purchased by Harker Simmental.

We want to thank everyone involved in the 2022 The One & Sim Magic on Ice Sale! We were happy to be back in Denver and look forward to the changes in the years to come. Thank you to the Colorado Simmental Association for being a great host as always. Hands in the air to the staff at the National Western for their dedication to all the livestock producers for allowing us to showcase our programs.
