

SIM *Magic*

Sale Report

2023 Sim Magic on Ice Sale was held on Saturday, January 14th at the Double Tree by Hilton Denver-Stapleton North in Denver, Colorado. The sale kicked off with donations for the American Simmental-Simbrah Foundation with 10 bottles of spirits with drink glasses donated by Eichacker Simmentals and Eberspacher Enterprises. The highlight of donations was the Weatherby High Country 270 Rifle donation drawing by Craig McCallum of Circle M Farms. The gun was won by Werning Cattle Company from South Dakota - Scott, Creighton, Dale and family. Also, a big thank you to Karla Schwoerer for the custom block along with help from the staff at The Register for the printed items. We are honored to once again have Trans Ova involved with proceeds going to the AJSA Juniors purchased by Steve & Cathy Eichacker, Eichacker Simmentals. A total of \$17,300 was raised for our American Simmental-Simbrah Foundation all ear marked for the Jr Merit Awards. Entertainment was provided by the outstanding recording artist Caitlyn Ochsner. Hats off to the breeders involved - open the gates to all and exciting things will happen!!

We want to thank everyone involved in the 2023 The Sim Magic on Ice Sale! It was a magical event with so many friends and fellow breeders returning to Denver! We continue to look forward to the changes in the years to come. Thank you to the Colorado Simmental Association for being a great host as always. Hands in the air to the staff at the National Western for their dedication to all the livestock producers for allowing us to show case our programs.
