

39TH ANNUAL

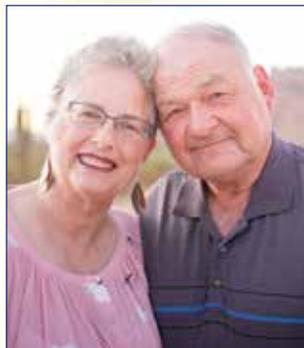

Blue River  
Gang Sale

SIMMENTAL  
SIMANGUS™ & ANGUS

SATURDAY, FEBRUARY 6, 2021 | SALE STARTS AT 12 NOON | RISING CITY, NE

# Welcome to our 39th Annual Simmental, Sim-Angus & Angus Production Sale!

We would like to take this opportunity to invite all cattlemen and women to our 39th Annual Blue River Gang Production Sale. We are all aware of the challenges that 2020 presented throughout the year from the cattle markets to the virus. However, we are more than grateful to offer a great set of cattle to you again this year, and to gather with our friends in the cattle industry.

Larry and Marty Mach

One of the biggest challenges of preparing for this year's sale is doing so without part of our team, part of our family. This past September, we received the terrible news that Larry and Marty Mach had passed away in a car accident. Larry and Marty have been a part of the Blue River Gang Sale since 1984, which would have been the 4th annual sale. Larry and Marty both had several accomplishments throughout life and it was truly an honor to be associated with such great people over the years.

Larry was very active in the cattle industry, and was well known by several across Nebraska and the Midwest. Larry was a member of the NE Cattleman Board of Directors, the Saunders County Livestock Association Board of Directors, Vice Chair of the Seedstock Council and was on the NE Classic Board of Directors. One of Larry's greatest accomplishments as a Simmental breeder was raising MS 306R. She was sold on a past Blue River Gang Sale to Darby Line of Triangle J Ranch. The 306R cow went on to be in the top 3 cows for registrations in the entire Simmental breed. Knowing good, honest, people like Larry and Marty are what make the cattle industry enjoyable and worth while. It will be hard to replace Larry's smile, jokes, and stories from past sales come sale time. Larry and Marty will be missed by many but never forgotten.

Larry and Marty were married on September 22, 1979, at Immaculate Conception Catholic Church in Ulysses, NE. They were members of Sts. Cyril & Methodius Catholic Church in Plasi, NE, and they both were very active in their community and held many positions through the surrounding area.

Marty graduated from David City Aquinas High School in 1972. Through the years, Marty worked as a CNA at South Haven, Saunders Care Center and St. Joseph Villa. She was a member of Catholic Daughters of America, the American Legion #254 Auxiliary and the Sts. Cyril & Methodius Rosary Society. She enjoyed entertaining family and friends, baking kolaches and yodeling.

Larry graduated from Prague High School in 1967. He served his country in the U.S. Navy until he was honorably discharged. Larry worked for Goodyear for forty years until his retirement. Larry was an active member of the Knights of Columbus #1833 and the 4th Degree Assembly. He was a member of American Legion #254 and he was currently serving as Senior Vice Commander for the State of Nebraska American Legion. Larry was currently serving on the Saunders County Board of Supervisors, he was a member of the NE Cattleman Board of Directors and part of the Blue River Gang. He was a member of the Saunders County Livestock Association Board of Directors, 40/8 Voiture #1834, Vice Chair of the Seedstock Council and NE Classic Board of Directors.

## FUTURITY

Every year our open heifers sold on the sale are eligible for a futurity show held mid-summer at the Ruth Farm. With \$1500 of total winnings this is a very worthwhile event. The winnings can then be redeemed at the following years sale as a credit. The futurity is not limited to just 4-H and FFA members. It is open to anybody purchasing heifers at our sale.

We hope everyone can attend the 39th annual Blue River Gang Sale. If you have any questions with the sale offering please reach out to any of the breeders or sale management. Hope to see you on sale day!

BF Miss Steel Force 83W, Dam

W/C Executive Order 8543B, Sire

Ruth Executive F18, \$7,000 Full Brother

This solid black purebred comes from our top donor, 83W, who is notorious for having sale toppers around here. Her full brother, Lot 26, looks to be one of our top bulls in the offering this year while a full brother last year was our top seller and possibly one of the best we have ever offered. She has a sweetheart personality and would work for any age of showmen. Don't overlook her, she could be quite the investment.

BF Mr. Confidence, Sire

H1075 is an absolute truck! This is the kind that could raise bulls year in and year out. The Mr. Confidence cattle have done our program a lot of good and this heifer is a prime example. High quality replacement female here!

Boulder daughters have done extremely well once they get into production. This one would go to the top of my list in terms of keeping one back to make seedstock. She excels on paper being in the top 25% of the breed in API and top 35% TI. One of the most complete in the offering, her picture does not lie, it's all there. Broke to tie.

Gonsior Francoise  
F22, Dam

This brockle faced Bankroll heifer is a result of a pair we purchased last spring from our friends at Gonsior Simmentals. I can only imagine what this female will look like when she is bred up. Bankroll cattle are in high demand and for good reason. This girl has been a standout since we brought her home and she continues to get better. She's on our short list for a show prospect. Halter broke.

SS Magnificent Dreams, Dam

Mr. CCF Vision, Sire

H559 is out of one of the best cows in the entire breed, Magnificent Dreams. This chromed up purebred heifer checks all the boxes. Watch her video, its hard to poke a hole in this one. This is the type and kind that raises high end show heifers.

This girl is the youngest in our offering, but don't over look her, she is a pretty special purebred! Her mother flat out gets it done! Last year, her sister was our high selling heifer and the year prior it was her half sib. A lot of upside in this one...don't over look her. Broke to tie.

We are really high on this one! They say cow families make all the difference and she is stacked with them on both sides of the pedigree! This heifer does so many things right that she finds herself at the top of our list! She offers a tremendous amount of power and bone while still composing an elegant profile. Very correct in her structure and excels on the move. With her outcross pedigree, the breeding options are endless. Her EPD profile is another added bonus! "Minnie" is a farm favorite with a fantastic disposition that we would recommend to any age of showman.

Precious Of Conanga 380X  
S A V Blackcap May 4549 Rito 707 of Ideal 3407 7075  
S A V Blackcap May 4136

If you are looking for an embryo quality donor, this is the one. She is deep chested, thick, long bodied and carries herself well. Her EPDs are very good especially for WW and YW while maintaining calving ease. She is in the top 1% for carcass. Her full brother, Chain Breaker, sold to Sire Buyer AI Stud for \$37k at Riley Brothers. Her dam, SAV Blackcap May 4549, is a full sister to Resource, Recharge, Heritage and many more. She is the number one Rito daughter in the breed for WW and YW. She has produced the top selling female at the 2018 National Western for \$50K. Her dam is SAV Blackcap May 4136, the \$9M donor at SAV. Her sire, Connealy Blackhawk 6198, is an elite growth sire while keeping BW in check. He adds frame size, performance, body length and stoutness. He offers strong maternal qualities, ranking in the top 1% for \$W with elite SC, DOC and HP.

S A V Bismarck 5682  
ONeills Delia 715

Beautiful long bodied, stylish, clean fronted heifer. She is in the top 1% for maternal milk in the breed. Her dam is our donor, JJR Delia Y500. She combines two tremendous bloodlines, SAV Bismarck 5682 and ONeills Delia 715. ONeills Delia is one of the real power cows in the breed. She is the dam of Expedition, Lucky Boy and Power Force. Her embryos topped the National Western Female Sale two years in a row. Her sire, Black Onyx, is the highest growth Black Granite son under +1.0 for BW. He checks all the boxes for calving ease, performance and indexes.

Powerful heifer, tremendous capacity, depth of rib and length. She is going to make an excellent brood cow after her show season. Her dam, SAV Blackcap May 4558, is a full sister to SAV Sensation, the \$950K bull sold to Herbster Angus. She is the number one Registry daughter in the breed for WW, YW, \$F and \$B with a top 5 for \$W. She is the daughter of the great SAV Blackcap May 4136, the most prolific and influential cow in SAV history producing over \$9M in progeny. Her sire, Bruns Blaster, is impressive from every angle. Blaster is a true powerhouse that sires three-dimensional cattle that are stout, capacious and growthy without sacrificing eye appeal. His strong background is evident in his female progeny, daughters are correct in their feet and leg structure with ideal udders.

It's hard not to write a novel on this bull, but to say we are proud to raise a bull of this caliber is an understatement. We truly believe this bull is worth the trip no matter where you are coming from. Bulls that possess this much power but remain this balanced, with this much eye appeal, are hard to come by. For the last two years, this mating has resulted in high sellers in the bull division. Cowboy Cut is known for having great ones and 83W has been the cornerstone of our program - the homework is all done!

This blazed faced purebred checks all the boxes for us! His picture and video should tell the story for him. A half brother by The Judge was one of our high sellers last year and this guy has a lot of the same attributes. The Judge calves have done great for us at weaning and the replacement females have been tremendous. With an actual BW of 78 and EPDS in the top 30% of the breed in both CE and BW, we sure think he'd work on heifers. He is in the top 35% or better in 7 of the breeds EPDs with an API in the top 40%.

Ruth Judge G409,  
\$6,000 1/2 Brother

Here is a bull that should find himself at the top of every cattlemen's list. Moves out correctly on a wide base, offers a tremendous amount of power in his middle and hind quarter, and ties into smooth made front third. He had an actual BW of 79 and weaned off a first calf heifer with an Adj. WW of 782. Study his EPD profile and you will find a similar story with moderate CE and a TI and Wean EPDS in the top 35% and 25% of the breed respectively. Outcross pedigree to boot!

 HILB Crazy N Love A475S

We have been excited about this half blood as he was a stout configured bull since the day he was born. This guy is very complete and sound structured. Whether they're bull calves or heifers, if they're stamped with his same look, they will be highly sought after.

Our initial goal when we flushed our matriarch donor 83W to Style was to make half blood heifers that we could retain for our own herd. Sometimes, it's better to be lucky than good. These two bulls offer a tremendous amount of rib shape and performance and are at the top of the list when it comes to structural quality. I can only imagine what a pen of daughters out of these guys would look like.

Sire

This is one of the fanciest bulls we have in our entire offering. He comes from a great cow family. His dam is a full sister to the highest selling bull and open female we ever offered on the sale. Study this guys picture and video - he is hard to poke a hole in. Great in his lines, stout, and great on the move. At pasture time we had this guy pegged as one of the best in the offering.

Felt Next Big Thing  
54T, Sire

Here is a very powerful strip faced bull brought to you by TLT Cattle Travis and Lindsay Truksa. This bull is backed by older proven genetics on each side of its pedigree. The 181 cow has put both bulls and heifers on the sale numerous times and has provided another great one. With this guys length of spine and mass look for him to add pounds to his offspring with an appealing look.

**POWERFUL BULL** - thick, deep chested, long bodied in a very stylish package. His dam, RB Lady Denver 167-426, is the leading lady in Riley Brothers donor pen. Producing our top selling bull in the 2020 sale, the \$30K female at the 2019 National Western Stock Show and the \$11K heifer at the Graber Angus Sale in Indiana. Hoover No Doubt progeny have met the market demands for width of base, superior feet and sound skeletons with real life true performance that is not just genomic based. No Doubt consistently transmits style and eye appeal with an uncommon amount of meat and muscle. No Doubt sons have been topping sales around the country - most for over \$25K! Here's your chance for a bargain. No Doubt daughters in production offer frame and superior udder shape, attachment and teat size. They are calm females to work with, as well as docility in the bulls.

DL Dually, Sire

S A V Blackcap May 4558, Dam

Very thick, deep chested bull that looks very much like his paternal brother that sold last year as our top seller. Dually stamps his sons. His dam, SAV Blackcap May 4558, is a full sister to SAV Sensation, the \$950K bull sold to Herbster Angus. She is the number one Registry daughter in the breed for WW, YW, \$F and \$B with a top 5 for \$W. She is the daughter of the great SAV Blackcap May 4136, the most prolific and influential cow in SAV history producing over \$9M in progeny. His sire, DL Dually, has powerful performance ranking in the top 1% for both WW and YW EPDs with a modest birth weight and top third calving ease package. He adds dimension and muscle expression with outstanding maternal potential with top end \$W, docility and heifer pregnancy values. His semen is difficult to get since he died at an early age.

R B Active Duty 010,  
Sire

Outstanding young bull... his full brother was our top selling bull in the 2019 Cattleman Classic. He is our youngest bull offered this year but was so outstanding we decided to include him. His dam, SAV Blackcap May 4566, is a daughter of SAV Blackcap May 4136, the legendary cow of SAV that has produced over \$9M in progeny. His sire, RB Active Duty 010, has the power, stature, eye appeal and thickness with the kind of capacity demanded today.

Confide In Me has done nothing but exceed our expectations since we acquired her a few years back. She has had quite an influence on this sale offering heifers that demanded \$8,500, \$7,500 and bulls for over \$5,000. Some of our top bulls in this year's sale are resulting from Confide In Me and One Eyed Jack. Her daughter by Lock N Load should be a highlight in the bred division. We are committed to offering our best and wanted to prove it by providing this opportunity. She flushed 27 eggs back in the Spring and has been running with FHEN Halftime and will be having a fall calf. Call for more information on past flushes and information on this donor who is in the prime of her life.

There was just about a family feud when we decided to offer this female. This is a female that you can build a herd around. She is a direct daughter of Sloup's matriarch donor Magnetic Lady who has done great things for their program and for the Simmental breed. We are dedicated to offering our best and that is the only reason this one is on the sale. We feel that this blazed faced female can raise both high end bulls and heifers. Her picture and video should speak volumes of the quality she brings to the table. She will have a Boulder calf at side by sale time.

Ruth Cowboy Cut F11, Full Brother

Everyone in the Simmental breed knows the quality and impact that Cowboy Cut has brought to the breed. They make great mommas that put power and performance in their calves. The Cowboy Cut/83W mating has been an absolute home run for us. Last year, one of our top selling bulls and opens were full sibs to this female. This year, our top fall bull is a full sib to this female. The guess work is done with this one. She will be paired out with a Boulder calf at side by sale time, a calf that should be pretty impressive in person and certainly on paper.

BF Miss Steel Force 83W, Dam

WOWZA! Mis Zoe is already a favorite of many and loved by all. She is long, level, square and most importantly, powerful. We love this one's design and power, while still carrying a refined appearance. A Lover Boy calf will accompany her by sale day!

This half blood female by Classified is an absolute BRUTE! Study her picture - she has all the qualities to make good ones every year. She will have an Executive Order calf at side sale day that could very well find itself in high demand on a production sale next year!

WS Prime Beef Z8, AI Sire

BF Miss Steel Force 83W, Dam

\$10,500 Full Brother

This very well could be one of the fanciest bred females we have ever offered. She is out of our matriarch donor, 83W, who is close to exceeding \$200,000 in progeny sales and the ever so popular Loaded Up. A full sib brother was the high selling bull in Ohlrichs bull sale a few years back demanding over \$10,500. Its hard to make purebreds with this much mass and belly shape all while tying into a beautiful front end. One of the best haired purebreds we have ever worked with. We think this girl is capable of making high end cattle that excel in the showing! She is due 2-17 to Hooks Eagle, no clean-up bull exposure.

# ANGUS BRED FEMALES

Jindra Acclaim, Sire

S A V Blackcap May 4549, Dam

Balanced, deep chested, massive female with great EPDs especially maternal. Her dam, SAV Blackcap May 4549, is a full sister to Resource, Recharge, Heritage and many more. She is the number one Rito daughter in the breed for WW and YW. Her dam, SAV Blackcap May 4136, is one of the most prolific and influential cow in SAV history producing over \$9M in progeny. She has produced the top selling female at the 2018 National Western for \$50K and Chain Breaker, top selling bull at Riley Brothers in 2019 for \$37K. Her sire, Jindra Acclaim, is an outcross to most Angus pedigrees. He is free moving, long bodied, large framed bull with elite growth and carcass EPDs. He excels for heifer pregnancy and docility. Overall a complete package with a combination of phenotype and performance making for an excellent outcross sire.

AI Sire: Basin Payweight 1682 on 5-18-20 • Due 2-24-21  
Pasture Sire: MAK Rampage 8504 from 5-30 to 9-1-20

3F Epic 4631, Sire

This is a special heifer, extremely long bodied, deep chested and clean fronted. Very stylish. She is tested NH clean. Her dam, SAV Blackcap May 4558, is a full sister to SAV Sensation, the \$950K bull sold to Herbster Angus. She is the number one Registry daughter in the breed for WW, YW, \$F and \$B with a top 5 for \$W. She is the daughter of the great SAV Blackcap May 4136, the most prolific and influential cow in SAV history producing over \$9M in progeny. Her sire, 3F Epic 4631, is top five for yearling weight EPD and top 10 feedlot value index and elite weaned calve index as well as calving ease.

BREEDER: Makovicka Angus

Deer Valley Testament, Sire

S A V Blackcap May 4136, Grandam

Moderate framed heifer with excellent stretch and capacity. Her dam, SAV Blackcap May 4566, is a daughter of SAV Blackcap May 4136, the legendary cow of SAV that has produced over \$9M in progeny. She has produced our top selling bull at the 2018 Cattleman's Classic. Her sire, Deer Valley Testament 5202, is a genomic standout that merges soundness, proven genetics and a significant opportunity for multi-trait improvement. Ranks in the top 20% of the breed for 13 traits and indexes.

BREEDER: Makovicka Angus

The 83W donor has done incredible things for our program. For well over 5 years straight, she has been responsible for high sellers in the Open, Bred, and Bull Division. She is close to exceeding \$200,000 in progeny sales which is a huge milestone for a female in our program. No matter what we mate this female to, it seems to work with great success. Eggs are located at Preferred Genetics in Columbus, NE. Genetics from a cow that still hits it out of the park. Only one time opportunity at public auction will this be available. Selling 3 embryos, guarantee 1 60 day pregnancy per package.
