

SIMMENTAL, SIMANGUS® & ANGUS

40TH  
ANNUAL  
SALE

SATURDAY, FEBRUARY 5, 2022 | SALE STARTS AT 12 NOON | RISING CITY, NE

# Welcome to our 40th Annual Simmental, Sim-Angus & Angus Production Sale!

We would like to take this opportunity to invite all cattlemen and women to our 40th annual Blue River Gang Sale! First and foremost, we would like to extend a thank you to our customer base which has allowed this milestone to take place! Our goal through the years has remained the same. That is to provide cattlemen and women with high quality functional cattle with great eye appeal that will ultimately enhance their programs profitability and performance. There is no greater reward than hearing our customers success whether it be in the showing, selling feeders, sending cattle to grid, or seedstock that has went on to produce great offspring.

A huge thank you needs extended to all friends and family who have made this event happen through the years! It can take an army to put on this event especially in the years where there have been significant weather events. We have been blessed with great help behind the scenes on sale day and days leading up to the sale.

The Blue River Gang has seen some different faces as consignors through the years. Some have went on to pursue their own production sales or chosen a different path. Some have passed on, but have left us with great memories and stories to tell. All of these people remain great friends to us, even if they are no longer here.

One of the biggest treasures of the cattle business is the people and friends you meet along the way, we truly feel this is the best industry to raise our families in and hope to do so for generations to come. We consider it our duty to stand behind our cattle and felt we have done that throughout the years even through challenging situations. We would love to continue to serve our existing customers and earn the business of new customers. Again, thank you for the continued support through the years and allowing us to do what we love!

## FUTURITY

Every year our open heifers sold on the sale are eligible for a futurity show held mid-summer at the Ruth Farm. With \$1500 of total winnings this is a very worthwhile event. The winnings can then be redeemed at the following years sale as a credit. The futurity is not limited to just 4-H and FFA members. It is open to anybody purchasing heifers at our sale.

We hope everyone can attend the 39th annual Blue River Gang Sale. If you have any questions with the sale offering please reach out to any of the breeders or sale management. Hope to see you on sale day!

ASA#(3991527) • BD: 2-20-21 • Tattoo: J408  
Adj. BW: 85 ET • Adj. WW: 609

Ruby is one of the most elite breeding pieces we have ever offered. She goes back to the famed Onyx cow who has produced several high quality offspring. Seeing this one in person is a must, she offers so much power and middle in a very elegant and structurally correct package. We take great pride in raising this one and know she has a bright future ahead of her!

We have been excited about this one since she hit the ground! She is out of new herd sire Aberdeen and our up and coming donor Liberty that we own with the Wilke Brothers. Her grandam Alley recently sold and demanded a significant amount of money, and is continually looked at as one of the top females in the breed! This girl is extremely gentle and would be a great fit for a first time showman.

SVF NJC Magnetic Lady M25

We have been big fans of the 20/20 cattle and girls made like this is part of the reason why. She goes back to the Sloup Sensation donor making this girl a granddaughter of the great Magnetic Lady. A lot of cow power in this one, she will be pretty impressive as a bred. She is broke to tie but we would recommend an older experienced showman.

Probably one of the best show heifer prospects we have ever offered. For a purebred heifer, you have to love her neck extension and how she ties into her front third. Heifers that are this good on the profile, move this correct and easy, and are this powerful are known to excel in the showing. She is backed by a lineage of females that have done nothing but produce great ones for us. She is extremely gentle and would be a great fit for a first time showman or older!

Hook's Eagle 6E,  
Sire

This bull checks all the boxes for us. He came out with an actual birthweight of 70 pounds and has and adj. weaning weight of 741 pounds! A very complete bull with exceptional power, middle, and hip and still provides that wow look on the profile. On paper, this guy is a superstar, having 10 traits in the top 15% of the breed with an API in the top 5% and a TI in the top 2% of the breed! His overall physical build and genetic profile puts this guy in a league of his own. Use him on heifers, to keep replacements, for feeder cattle, or to take cattle to grid. He is built for all of them.

If you look back at the accomplishments of the 83W donor in our program, you will find high seller in the open, bred and bull divisions. One thing she does really well is make highly sought after baldy babies! All of these matings are proven and safe investments. One of our top bulls in the offering this year is a result of the 20/20 mating. Another power bull in the sale this year is a result of the Revival mating. The Loaded Up mating made some great females and a bull that demanded \$10k for Ohlrichs. Every one loves a baldy, especially when its backed by a great cow! Eggs are located at Preferred Genetics in Columbus, NE. **Seller guarantees one (1) 60 day pregnancy per three embryos transferred if implantation is performed by a certified embryologist.**

CNS Dream On L186

SVF NJC Magnetic Ldy M25

There is a reason that the Cowboy Cut sire was used so heavily. He produces good honest cattle that set down the scales and makes females that milk and make fantastic mothers. We expect this baldy Cowboy Cut son to do the same thing. He is long bodied, level hiped, power bull that offers a lot of performance, and is backed by a solid EPD profile. His dam is the great Magnificent Dreams who is known across the Simmental breed. There can be a lot of uncertainties in the cattle industry, a guy like this is about as sure of a bet as you can get. Top 20% API.

BF The Judge, Sire

This guy by far is one of the stand outs in the strong aged bull division. We took him out to Husker Harvest days this year and he sure did make a lot of friends! His dam has been doing a great job for us. If you are looking for a bull to add muscling and pounds to your offspring in a sophisticated package, he'd be one to look up sale day! This bull has a really good disposition.

Exceptionally thick and massive, these are full brothers in blood to Resource, Renown and Recharge. Williams Angus in Montana is a cooperative herd and raised these bulls as well as Resource and he said 1845 is the best bull he has raised. Rito 707 of Ideal 3407 7075 is a dominating sire from the timeless Rito performance lineage establishing himself as a true breed legend and a powerful breeding bull perhaps unlike any other sire ever identified. His progeny display exceptional muscle density, masculinity, natural rib shape and overall dimension with fleshing ability, foot quality and enhanced breed character. WMS Blackcap May 5136 is a powerful female, Colonel Matt Lowery said she may be the best cow in the breed. Beautiful phenotype and her early production is impressive. She is a full sister to SAV Blackcap May 4136, one of the most prolific and influential cows in SAV history producing more than \$10 million in progeny.

Jindra Acclaim,  
Sire

If you are looking for an extremely long bodied female that has depth of rib and thickness, this is your kind. Great genotype combined with phenotype. Her dam JJR Delia Y500 combines two tremendous bloodlines, SAV Bismarck and ONeills Delia 715. ONeills Delia 715 is one of the real power cows in the breed. She is the dam of Expedition, Lucky Boy and Power Force. Her embryos topped the National Western sale two years in a row. She possesses a super phenotype and genotype with 13 EPDs in the top 25% of the Angus breed.

By far one of the standouts in our bred heifer division this year! This half blood by Makers Mark checks a lot of boxes. Extremely deep middled, beautiful hind quarter and ties into an elegant shoulder. On paper, she excels in performance and milk EPDs. Built like this, I'd expect her to make some powerful bulls and elegant heifers in the near future! Vet called her safe AI.

Tehama Tahoe B767, AI Sire

Ladies and Gents, this one has been the hardest for us to offer you this year. MS Leann was our oldest son's first 4H heifer and they stood at the top numerous times. From the day she was born, we knew she was going to be a top cow. She is long, level, square and most importantly, powerful. We are in love with her vigor, smooth design, and pleased to say she is accompanied by a big stout bull calf out of Loverboy. Take her home, money ahead.

This 1/4 blood heifer goes back to the great MS Miss 306R Donor of TJ Ranch that originated off this sale and was sold by our friend and Blue River Gang partner Larry Mach. She is pretty impressive on paper having ten traits in the top 25%! A lot of the homework is done with this female. Her first calf by Tahoe should come easy and take off and grow! Vet called Safe AI.

Tehama Tahoe B767, AI Sire

Ms. Cosmo is another Cosmo daughter we have liked from day one. Everyone can use a heifer that has plenty of body, bone and style. This blaze faced heifer is bred to TJ Frosty for a January calf.

TJ Frosty 318E, AI Sire

TJ Frosty 318E, AI Sire

Ms. Cosmo moves right up to a front pasture cow. It is easy to admire her amount of power and balance. She is deep bodied and carries it through to her squared hip. 062H is out of our good Innocent Man x Summer cow. She is AI'd to TJ Frosty.

A lot of homework is done with this bred heifer. Her mother sells as Lot 71. You could count on this ones mother laying down every year and having a good one. With Cowboy Cut on the top side this is a pretty safe investment. Bred to our new AI Sire Red Empire who is causing a lot of excitement. Vet called safe AI.

The B 404 cow is an absolute tank! She has done a great job for us putting several heifers, bulls, and breds on the sale. She stamps her calves with the same amount of power she possess and they all have the desired amount of look and balance. Vet called for a March calf.

Mr. SR Aberdeen G1718, Pasture Sire

Bar CK Red Empire

Ruth Wide Range  
F421, Son

The B421 cow was one of our favorite Mr. Confidence daughters. She is a bull and female making machine! Study her picture, she is hard to poke a hole in. This cow has a picture perfect udder. We wanted to offer some offspring out of our new bull we bought into, Red Empire. Red Empire has a lot of excitement around him and we are anticipating his calves to be in high demand. The work is all done here. She sells with a beautiful Red Empire bull calf at side.

We purchased this cow as an open heifer from our good friends at Gonsior Simmentals. She was one of their top open heifers that year. She has done a great job for us producing both bulls and heifers. She is Ai'd to Frosty and will be paired out by sale time! The calf at side could easily pay for the pair in one shot!
