SimGenetics Sale

SATURDAY, APRIL 9, 2016 • 12:00 NOON • HINCKLEY, MN

COW/CALF PAIRS ~ ELITE BRED FEMALES ~ OPEN HEIFERS ~ PERFORMANCE TESTED BULLS ~ EMBRYOS

The 2016 Brant Farms "Genetic Balance" Sale was held at the Brant Farms Sale Facility at the farm near Hinckley, MN on Saturday, April 9. This sale will go down as one of the coldest sale days we have had at the Brant Facility and also one of the largest crowds. The cold temps did not stop the loyal Brant customers from attending the sale to select genetics from this program. Along with offering an outstanding set of cattle, the Brant crew gave away 3 calf feeders and the lucky winners were Ryan Lee, Paul Krueger and Arnold Patzoldt.

Many thanks to everyone that attended the sale, contacted us via phone lines and the very active buyers on Liveauctions.tv.
