## *Sale Report*

2014 marked the 10th Anniversary Sale for Brant Farms of Hinckley, MN, and it proved to be a celebration as the females set an all time high average for the firm. A large crowd of new and repeat breeders attended despite the chilly rainy morning and the Brant crew worked overtime to make sure the sale offering was ready for the day. The sale offering of Sim genetics that were both red and black was well received and the familiar statement was again proven as customers always say  
**"WE LOVE OUR BRANT COWS!"**
