SALE REPORT

The Chestnut Angus Farm 19th Production Sale was held at the farm near Pipestone MN on Feb 22, 2017. A stout set of herd bull prospects sold along with bred cows bred heifers and a set of commercial bred females sold to a full house of repeat and new buyers to the CCN program. There was a bit of mud but with the temps in the middle 50's, it was a great day for a sale prior to the incoming winter storm.

The entire Chestnut Crew wishes to extend a big "Minnesota" thank you to all that attended, viewed on liveauctions.tv and were with us via phone lines. We welcome your view anytime to the farm... give us all to view!
