SALE REPORT

2018 Chestnut Angus Farm Elite Female Sale

The Chestnut Angus Elite Female Sale was held on Friday, November 23, 2018 at the Farm near Pipestone, MN. Many took advantage of the "Black Friday" sale of outstanding Chestnut females as the sale facility was full and the bidding on liveauctions.tv was hot. The show heifers were ready for the tan bark, the bred heifers were boasting full of genetic merit and the proven cows carried a track record second to none. The plan for CN team is each year sell 5 year proven females to advance their customers program.

Many thanks from the entire CN team to the buyers and bidders that took time out of their holiday weekend to join us in person or logged on to liveauctions.tv. We truly are blessed for having such wonderful customers and friends.
