**20th Annual Production Sale**

***Wednesday, February 28th, 2018***

***1:00 PM at the Farm • Video Auction  
2242 90th Avenue, Pipestone, MN 56164***

2018 marked the 20th year of production sales hosted by Glen and Sherri Johnson of Chestnut Angus Farm. The offering included a stout set of performance Angus bulls that excelled in ideal phenotype with a strong genetic package to back up the style and soundness. This was a video sale again this year, so the stock relaxed in the sunshine and melting temps as the packed house of buyers enjoyed the offering on the big screens. Under the direction of Col. Seth Weishaar, 51 CN Angus bulls averaged \$4153. Also selling was 19 Angus Influenced bred females that averaged \$1755.

Looking forward to many more years as your seed stock provider as the Chestnut crew is excited about the beef industry. Thank you for 20 great years!!
