Eichacker Simmental Bull & Female Sale

Friday, March 6, 2020 • Salem, SD

The Eichacker Simmentals Production Sale was held on Friday, March 6, 2020, at the Eichacker Sale Facility near Salem, SD, along with Guest Consignor JK Angus. Selling a combination of both bulls and females at an all video auction with the stock on display in their pens just outside the sale facility. Mother Nature was nice to us this year, with warm temps that brought out many repeat and new buyers. The offering included excellent Simmental, Sim Influenced, Red Angus and Angus bulls as well as beautiful females with many proudly having a baby at side. It was humbling to have the barn busting with many commercial cattlemen along with purchases making their new homes with 12 seedstock producers. It is very much appreciated by Eichacker Simmentals for the interest and support all of you have given to our program and we look forward to many years of serving as a partner in your successful breeding programs.
