Eichacker Simmental Bull & Female Sale

Friday, March 5, 2021 • Salem, SD

The 2021 Eichacker Simmentals and JK Angus Annual Production Sale took place on Friday, March 5th at the Eichacker Simmental Farm near Salem, South Dakota. The all-video sale consisted of bulls and females representing Simmental, Sim-Influenced, Angus and Red Angus genetics. Several of the females already had a baby at their side.

The gorgeous weather made for a shoulder-to-shoulder, jam packed crowd inside of the sale facility. We cannot express how blessed we are to have so many repeat customers as well as all of the new interest in the offering this year, and of course all of our new buyers that we look forward to working with! Feel free to call us any time with questions about our operations or to just talk cattle. We look forward to seeing everyone on Friday, March 4, 2022!
