## 2018 Eichacker Simmental & JK Angus Sale Friday, March 2, 2018 • Salem, SD

The Eichacker Simmental and JK Angus Annual Production Sale was held Friday March 2nd at the Eichacker Sale Facility near Salem, SD. A new venture this year for the sale was the combination of both the female offering and bull offering in one video sale. The over flowing crowd enjoyed the video on the big screens while the sale offering relaxed in pens just outside the sale facility. The offering included excellent Simmental, Sim Influenced, Angus and Red Angus bulls as well as beautiful females in the division of Simmental and Sim Influenced with many proudly having a baby at side.

It is very much appreciated by Eichacker Simmentals and JK Simmentals the interest and support all of you have given our programs and we look forward to many years of serving as a partner in your successful breeding programs.
