Bred Females & Embryos

Special thanks to everyone for attending the 2015 Field of Dreams Sale and helping us celebrate the 21st Annual sale!

The 2015 Field Of Dreams Sale was held Sunday, September 13th at the Harker Sale Facility near Hope, IN. The combination of a solid set of genetics in the offering, perfect weather and the wonderful hospitality resulted once again in an overflowing crowd. The fact that bidders from 20 states and Canada were either in attendance, on the phone or on liveauctions is a true compliment to the top notch job the FOD breeders did in offering the finest in Sim Genetics.

The Field of Dream Teams wishes to thank everyone for your interest in our breeding programs and taking the time to spend a few hours with us on sale day. Keep in touch, we love to talk about Simmental cattle!
