The 2018 Field of Dreams Sale will go down as one of the hottest sale day this group has experienced. Moving the sale back one month would lead one to believe the weather would be cooler but Mother Nature proved us wrong. Despite the warm temps, a large crowd attended to select their next show heifer and replacement bred heifers. Sale location was once again at the Harker Simmental Sale Facility near Hope, IN where the hospitality always runs deep and a great time has had by all enjoying the new & long time friendships. Buyer and Bidders for the FOD represented 18 states and Canada. This sale was dedicated to a fellow FOD member Nancy Thayer that lost her battle with cancer and a memorial from the FOD team will be made in her honor.

The Field of Dream Team extends a big Hoosier "Thank You" to all that attended, were on liveauctions.tv and the cell phones. We know it is hard to stop the combines so your interest in our breeding programs is greatly appreciated!
