

Thank you for a successful sale turnout!

The Bulls Eye Breeders 16th Annual Angus and SimAngus Bull Sale took place on September 14th at the Gonsalves Ranch Bull Development Facility near Modesto, CA. The families of Gonsalves Ranch, Diamond Oak Cattle and Flood Brothers Cattle make up the Bulls Eye Breeders Group. Together they assembled and offered a tremendous set of bulls, registered bred heifers and commercial open heifers. The stout offering was sold on video screens next to the bull display pens and the large crowd was able to enjoy a beautiful day. The hospitality at this event is always terrific and many customers enjoyed a meal and guest speaker the night before the sale and on sale day the crowd was served a great steak lunch and refreshments.

The Bulls Eye Breeders would like to thank everyone who showed interest in the bulls and their programs. They also thank their new and repeat buyers for their confidence in the cattle that they produce. Call anytime to talk about the cattle and keep them posted on how the cattle are doing. The Bulls Eye Breeders look forward to being your seedstock supplier for many years to come!
