

BULLS EYE BREEDERS Angus & SimAngus BULL SALE

Thank you for a successful sale turnout!

The 19th Annual Bulls Eye Breeders Bull Sale was held Wednesday September 19, 2018

at the Gonsalves Ranch Bull Development Center near Modesto, California. This stout offering of Angus and SimAngus bulls were well received by both repeat and new customers with the bulk of the offering remaining in the sunshine state.

Along with enhanced EPDs, the bulls this year carried a tender score of 2 and above and 90% of the offering had a tender ratio score of 2 -- this should make some happy customers at harvest time. Style, performance, calving ease and high carcass merit is what the Bulls Eyes Breeders group is known for!

Thank you to everyone that attended our 19th Annual Sale. Call any time to visit about our genetics and how we can boost your bottom line!
