SALE REPORT

Thank you from Gonsior Simmentals...

2020 marked the 20th Anniversary for the Gonsior Simmental "In The Heartland" Sale. A large crowd came out to help the Gonsior family celebrate this milestone despite the snow and lots of mud mixed in, not to mention Covid-19. The offering again this year is very diverse with bulls that range from percentage to purebreds, fancy open heifers, bred females and cow/calf pairs. Cattle sold into many states in the Heartland with the bulk of the offering remaining Husker fans.

Thank you from the entire Gonsior family and it is humbling to have such loyal customers these past 20 years! We are excited about the future and look forward to many more years together. Stop in any time to visit about the beef business.
