SALE REPORT

Bountiful Harvest Female Sale

The 1st Annual Grass-Lunning Simmentals Bountiful Harvest sale took place on Saturday, November 28th, 2015, at the Grass Lunning Simmentals sale facility near Le Roy, MN. Many are familiar with the Grass-Lunning Simmentals annual Bullseye Bonanza Sale in February. This year, Bob Grass and family decided to offer females in the fall and that led to this 1st Annual Bountiful Harvest offering of fancy open heifers and productive bred females. The weather and setting could not have been nicer for a sale. The beautiful mild November day full of sunshine made it a lot of fun to look over the sale cattle. Inside the nicely decorated sale facility, big screen TVs displayed a video of each lot as they sold as the cattle remained out in their pens rather than walked through a sale ring. It made for an event that the crowd really enjoyed and led to a successful sale for Grass-Lunning Simmentals and guest breeders JRB Farms, Krueger Simmentals, Franke Show Calves and 4 Winds Angus. The Annual Grass Lunning Bullseye Bonanza Sale will take place Saturday, February 13th, 2016.
