GRASS-LUNNING

2018 Grass-Lunning Simmentals Bulls-Eye Bonanza Production Sale

The 2018 Grass-Lunning Simmental Bulls-Eye Bonanza Production Sale was held at the GLS sale facility near LeRoy, MN. As tradition would have it, it was an extremely brisk day and that did not stop the crowd from attending which filled the facility right up. The offering had a blend of genetics in the herd bull prospects, open females, bred heifers and top set of genetic lots which was well appreciated by numerous repeat customers and well as new buyers to the GLS program.

The Grass family would like to thank everyone that showed interest in the GLS program and called, attended or were part of the large crowd on liveauctions.tv. Your confidence in our breeding program is very much appreciated and feel free to stop by anytime you are in the area.
