SALE TERMS AND CONDITIONS

BIDDING: Each animal offered for sale will be sold to the highest bidder. Each bid shall constitute an offer to purchase and the final bid shall constitute a binding contract between Buyer and Seller. The person in charge will settle disputes as to bids and his decision on such matters shall be final. Bids by phone, mail or wire will be accepted and confidentially handled by sales personnel.

ANNOUNCEMENTS: Any changes from information of any kind in this sale book will be announced from the auction box and such announcements shall take precedence.

TERMS: Terms of the sale are cash, unless satisfactory credit arrangements have been established. All settlements are to be made with the clerks of the sale immediately following the conclusion of the sale & before any cattle will be released from the sale premises.

IDENTIFICATION: All animals have been checked for readable tattoos, and each such identification corresponds to the registration certificate. In those cases where a nickname is used, it shall be accompanied by the official registration name and number of the animal.

RIGHTS & OBLIGATIONS: In the event of default in any part of the Terms and Conditions covering this sale by either the Buyer or the Seller, it shall be the responsibility of the Buyer, or the Seller, to instigate any action necessary to bring about a fair settlement of any claims arising from this sale and to be responsible for any and all costs involved therein.

All persons who attend the sale do so at their own risk. Neither the Owners nor any person connected with the sale assume any liability legal or otherwise.

INSURANCE: Insurance available sale day through sale management and Jame Secondino, American Livestock Insurance 765-832-2697.

HOUSED UNTIL MAY 1, 2013

Grindstone Creek Farms will keep your bull after the sale at their farm until you need your bull or May 1, 2013. The cost will be \$3.75 per day per bull. We advise insurance coverage on your purchase if you choose this option. Insurance will be available sale day at the clerk's desk through Jame Secondino, American Livestock Insurance, 765-832-2697.

HERD HEALTH

All bulls have received IBR, BVD, P13, BRSV, 7-way Blackleg, and at least two rounds of Ivermectin or Dectomax (for internal and external parasites). All bulls were tested for Brucellosis and TB. All bulls were tested negative for persistently-infected (PI) BVD. Health papers and breeding soundness exam will be provided on each bull selling.

DATA REPORT

All information in this catalog is current. Simmental EPDs are all Spring 2013 numbers.

BREEDING GUARANTEE:

All bulls have passed a satisfactory breeding soundness exam and fertility test. All bulls are guaranteed to be breeders with the exception of:

A. Injury or disease occurring to the animal after the time of purchase determined by a veterinarian.

B. Gross negligence or willful misconduct on the part of the purchaser.

Grindstone Creek Farms guarantees all bulls to be breeders and they reserve the right to test any bulls in question as a non-breeder for at least 180 days after written notice before making an adjustment. If this animal is declared a sound breeder by a competent veterinarian, he will be returned to the buyer at the buyer's expense. In case an adjustment is required, it will be made with a replacement of equal value to animal in question or credit on purchase of another animal.

BULL DEVELOPMENT PROGRAM

These Grindstone Creek Farms bulls have been developed for 120 days using Purina Mills' Impact Beef Grower product and cracked corn. The Impact Beef Grower regulates the amount of feed eaten per meal and the total amount consumed throughout the day by the bulls. With this feeding system, the bulls can be developed on a nutrient-dense ration that allows them to express their genetic potential for growth and carcass traits without compromising structural soundness in the feet and legs. Grindstone Creek Farms has developed the bulls using this feeding program for six years, and their customers have been complimentary of the soundness and durability of these bulls. N.T. Cosby, PhD. - Consulting Nutritionist, Purina Mills
