Thank you from Mertens Cattle Company!

Mertens Cattle Company Angus & Simmental Complete Dispersal Sale was held at the Glacier Lake Livestock Auction, Watertown, SD on Sunday, September 20, 2020. It was a bittersweet day for this hard working family to send this cowherd down the road but as they start a new chapter in their lives, tough decisions had to be made. The offering consisted of Angus and Simmental genetics that carry pedigrees from the top bloodlines in the beef business.

Thank you to all of our customers through the years and we honor the friendships that have been made along the way. We are confident that this set of cattle will be profit makers for you for many years to come.
