SIMMENTAL, SIMANGUS™ & ANGUS

*Thank You!*

The 2015 Diamonds and Spurs Sale took place on Saturday, April 18th at Owen Brothers Cattle Company near Bois D' Arc, MO. The setting and sale facility at Owen Brothers Cattle Company always makes for a great venue for a sale event. The Owen crew and their guest breeders offered a fantastic set of cattle. There was a unique opportunity on this year's sale to buy the mature fall calving cowherd from Owen Brothers. Those cows along with the terrific heifers calves, herd bull prospects and spring pairs were a diverse lineup of quality cattle. The guest breeders include Gerdes Show Cattle, Lone Tree Simmentals, Double R Cattle Company, Matthews Simmentals and Golden Oak Simmentals. As expected, there were rain showers on sale morning. However, there were just enough breaks in the rainfall for folks to go out and sort through the awesome offering and with the help of people bidding and purchasing on the internet via liveauctions. tv, it was one of the best Diamonds and Spurs sales to date.

All of the breeders of the Diamonds and Spurs sale wish to thank their bidders and buyers at this year's event. The interest in the cattle from the new and repeat buyers is greatly appreciated! Best of luck to the juniors that purchased show heifers to exhibit this summer. Keep us posted on your successes. See you next year!
