Close the Gate

For this one farmer the worries are over, lie down and rest your head. Your time has been and struggles enough, put the tractor in the shed. Years were not easy, many downright hard, but your faith in God transcended. Put away your tools and sleep in peace, The fences have all been mended. You raised a fine family, worked the land well and always followed the Son. Hang up your shovel inside of the barn; your work here on earth is done. A faith few possess led your journey through life, often a jagged a stony way. The sun is setting, the cattle are all bedded, and here now is the end of your day. Your love of God's soil has passed on to your kin; the stories flow like fine wine. Wash off your work boots in the puddle left by blessed rain one final time. You always believed that the good Lord would provide and He always had somehow. Take off your gloves and put them down, no more sweat and worry for you now. Your labor is done, your home now is heaven; no more must you wait. Your legacy lives on, your love of the land, and we will close the gate.

Dear Cattle Enthusiasts,

We would like to invite you to the annual production sale for Rockin H Simmentals. As you view the offering, we are certain that this is the strongest and most powerful set of bulls Matt and his family have assembled. The bulls are sired by breed leading herd sires and backed by years of strong cow families built for performance and producibility. Their outstanding genetic EPD profit is a bonus.

For you that have loved the Rockin H females is the past, get ready as the bar is set high with an exciting set of show heifer prospects. This set stems from time tested cow families what will work their heart for you once in production and done with the tan bark. This year, there will be a select group of spring calving pairs and bred female directly from the heart of the herd.

We encourage you to give Matt a call to visit with him on which bull or female will best suit your program and breeding goals for maximum profit. Our phones are always available as well to talk about good genetics from good people! Come early as Holly always has a delicious lunch. See you on March 19th!

HS Glamour Baby or AKA G Baby was purchased from Hilbrands Simmentals off the Jewels of the Northland Sale. When we first saw G Baby, we knew she would fit in well here with our operation. She is built with so much rib dimension and mass, heavy boned big wide topped and super cool easy moving. Sired by the Great Mr CCF 20-20, that has left a huge impact on the Simmental breed along with her maternal grandam Burn Baby Burn. **We are offering up 3 Conventional IVF mating's to this young up and coming donor.** Flushed to WHF Double Up, the 2021 Cattlemen's Congress Reserve Grand Champion Purebred, with an outstanding look and structure, Flushed to WLE Black Mamba, the show bull of the year and great Copacetic son; and we also mated her to LLW Card True North that recently won the Canadian Agribition Simmental show this past fall. The mating's are all stacked from top to bottom with championship titles and with tremendous cow families to back them up. This is the first time these genetics have been offered up for auction on this new donor. We will guarantee 1 successful 60 day pregnancy if the embryo work is performed by a certified embryologist.

Oh Baby!! This heifer made her mark around the show circuit this summer alongside her dam "Bea". Top 10 Pair at Junior Nationals, 3rd Overall Pair at MYLE, Reserve Champion Pair FFA & Open Class MN State Fair, Reserve Champion Calf FFA MN State Fair, and held her own in class at the MN Beef Expo. If I was old enough to show, Baby would not be leaving. She has only gotten better with time and if you drag her around the ring this summer, it is going to be one heck of a run with her.

RED HEIFERS ARE HOTTT in the showing! We purchased this girl as a pair from Hilbrands last spring with the intentions of turning the cow into a donor cow. If she produces a calf like this every year, let's just say you'll be glad you have a daughter out of her! Scarlet is a such a sweetheart and has the potential to be a top-notch show heifer. She is broke to tie, no fault to her, I just ran out of time to get her broke to lead. Consigned by Nemitz Cattle Co.
