# Welcome!

## 9th Annual Rockin H Simmental Production Sale 2023

Rockin H Simmentals would like to welcome and invite our fellow cattlemen and women to our 9th Annual Production Sale on March 18th. It's hard to believe it's sale time again here at the Rockin H and spring is upon us with calving season in full swing. The to do list and workload are growing bigger and bigger every day, in this never-ending life cycle of this love and passion for the cattle and the land. We all faced many challenges this past summer and now moving into a cold and snow filled winter again, with a lot of mud and moisture in the future, to hopefully help regenerate our fields and pastures. But we all remain optimistic and will persevere again and look forward to what 2023-2024 will hold for us.

This year's sale offering will consist of 68 Simmental and SimAngus performance tested bulls, bred heifers, bred cows and a few pairs along with a select group of fancy open replacement heifers. The bulls will be semen tested, scrotal measured, performance tested, Genomic tested for Homozygous Black/Polled, scanned and ultrasounded to offer you the best data available. The bred heifers and cows all have been vaccinated with Scour Boss and are ready to calve. The open heifers are Bangs vaccinated and have had their pre-breeding shots. We will once again be offering \$100/head discount if they leave on sale day or the bulls can stay here free of charge until April 1st with delivery options available. If the sale cattle need to stay here longer it will be \$3.50 a day feed/yardage.

For those of you who don't know us and are new to our sale, first of all we are very excited to have you here. We are Matt and Holly Hoffman, we have 3 boys Taten-12, Maxten-9 and Eli-7. Matt is the owner/operator of Rockin H Simmentals, Holly is a small business owner in Canby. Our boys are all enrolled in Canby school. Taten enjoys baseball, football, wrestling and showing cattle. Maxten will be joining 4-H this year again along with Eli who is still a Cloverbud. Chuck and Lorie Hoffman (mom and dad) own and operate Rockin H Feedlot fulltime. We all take pride in being a farm family.

We would like to introduce and thank our guest consigners on our sale... Nemitz Cattle Company, Pesek Cattle Farms and TSN Red Angus family, all families are local.

If you are unable to attend the sale in person, you can join us online at [www.DVauktion.com](http://www.DVauktion.com). If you have any questions or want to talk about the sale cattle, we would be more than happy to hear from you. If you would like to bid on the phone, our sale staff and representatives will be ready to help you out.

We would like to take this time to personally invite you to our 9th Annual Production Sale on March 18, 2023 at 12:00 noon, North East of Canby, MN. If you have any questions and would like to view or talk about sale cattle, please contact us. We would love to hear from you and talk cattle.

WEEK OF THE SALE. BULLS WILL BE TESTED  
FOR HOMOZYGOUS BLACK & POLLED.**

**Message from Sale Management:**

Dear Cattle Enthusiasts,

We would like to invite you to the annual production sale for Rockin H Simmental. Performance and predictability are king in this program as the Hoffman continue to operate a feedlot program using their own genetics. They know what works for them and extend that knowledge to your, their valued customer.

The sale offering again this year surpasses past sales with herd bull prospects that carry the genetics from top breed leading AI sires along with packing an excellent EPD profile. The females are hard working ladies that are targeted to calve in March and April when the grass is green and the sunshine plentiful. We welcome TSN Red Angus to the sale this year as they have brought you 5 young 1st calf pairs ready to go to work for you along with 3 fancy open females ready to be bred to the bull of your choice.

We encourage you to give Matt a call to visit with him on which bull or female will best suit your program and breeding goals for maximum profit. Our phones are always available as well to talk about good genetics from good people! Come early as Holly always has a delicious lunch. Change this year as your internet provider will be DV Auctions- sign up early with DV to avoid any delay. See you on March 18th!

 LLSF Urababydoll U194  
 Colburn Primo 5153  
**HILB Miss Emma E416**  
 AJE Gabby R7

10K is the natural calf out of Emma. This heifer is an absolute belly dragger. She takes that huge middle and ties it into a really sweet front third. She is halter broke.

## 68 THOR Miss Merlin 17K

**100% AR
