

117th Annual Sale

Rockin  Simmentals

MARCH 15
2025

SATURDAY • 1:00 PM

Carby, Minnesota

Welcome!

11th Annual Rockin H Simmental Production Sale 2024

As we sit here tonight writing this year's opening letter, we reflect on the past year. The mild winter we had, to the lush green pastures and fields we had throughout last summer. After receiving measurable amounts of rain that led to a nice dry, bountiful harvest which our family is so thankful for, leading us back full circle to another year and another production sale.

The cattle we offer for your appraisal, we feel are of high quality and are bred to be profitable for our customers. The bulls have been tested for homozygous black and polled traits and have been performance evaluated, along with carcass scanning. Genetically we feel are top notch. The "Select 7" open heifers are handpicked right off the top of 60 head of replacement heifer pen. We are once again offering bred heifers and young bred cows that carry time tested genetics, and we are confident they will work successfully in your herd for many years. This group is bred from the end of March to the first part of May.

We will keep and feed the bulls free of charge until April 15th, if you're unable to take your bull right away. We will be delivering bulls free of charge to the surrounding states and we can assist you in other trucking arrangements as well if needed. The sale will be on DVAuction again if you're unable to attend in person for bidding and viewing of the cattle sale day.

Our passion is raising Simmental cattle and producing top quality genetics for our customers. The cattle can be viewed any time prior to sale day. We would be happy to help with any questions you may have as we love to talk cattle and would enjoy hearing from you.

This year our guest consignors are our longtime friends, Nemitz Family, Nemitz Cattle Company, along with our amazing neighbors the Goplens, GFC Farms. Thank you to everyone past and present, and future customers. We look forward to seeing you on sale day on our farm March 15th Northeast of Canby.

Message from Sale Management:

Welcome to the Rockin H Annual Production Sale!

We would like to extend an invitation to all of you to join us for the 11th Annual Production Sale for the Hoffman family. The sale this year consists of a very power-packed offering in the bull division. Matt's continued dedication and commitment to produce only the top performance genetics that also excels in the disposition department like Lot # 1. A true stud and he is not taking a back seat to his \$95,000 brother Rockin H Captivate who is doing a superior job in the Lazy C Diamond and Bichler Simmental operations. It will be worth the trip to Canby to see All American in person. This year's ladies are as impressive as the boys. They will walk and talk with the best of them. If you need to add numbers to your operation, there is a select set of March and April calving females ready to go to work for you.

The crew at Rockin H continues each year to surpass the previous year with the offering of genetics that will advance any breeding program so feel free to give Matt a call to discuss the right animal for your program. Come early as Holly always has a wonderful meal waiting for you. See you on March 15th!

Rockin H All American is the maternal brother to Rockin H Captivate, whom commanded \$95,000 selling to Lazy C Diamond Ranch and Bichler Simmentals a few years ago. Captivate has made a huge impact on the Red Simmental breed and is one of the most used red sires today. All American is the natural born calf to Rockin H Ms. Carolina. Rockin H Ms. Carolina is built super thick and deep ribbed, that ties into a big wide top and hip. Rockin H All American is super sound moving with a very correct hoof shape and angle. All American is a herd bull, breeder bull type with a super easy disposition with a super cool, cocky bald face. Make sure to look him up sale day, this bulls future is going to be great, right along with his maternal brother Captivate. **We will be Retaining 1/3rd semen interest and selling full possession.**

A nice 3/4 blood herd bull who has packed on the pounds from day one, weighing in at 1325 for his yearling weight and over 900lbs at weaning. His dam is one heck cow that weans off big calves year after year with a beautiful udder on her at ten years old. Put the pounds on your calves or keep his daughters. Whatever you are looking for, you can't go wrong with this guy.

Rockin H MVP has been a ranch favorite since weaning, when we brought the calves off pasture this fall, MVP made his presence well know. MVP is made with a large frame, huge foot, big top, long and deep ribbed. A true MVP for performance ranking 2nd at weaning and 1st at yearling. Ratio: 122 weaning, 115 yearling with an actual weaning weight of 930 lbs in September.

These two fancy, attractive made open heifers are the result of OMF Journeyman and our own HS Glamour Baby donor. Both are made very complete in their design, but are made a little different in their overall makeup. M77 is made more fancy and cool fronted and M85 is made longer and larger framed. Both of these ladies are going to make excellent bred females next year and develop into even greater cows. You can be the judge, but I would keep them together. The pedigree is pretty special going back to Lazy H Burn Baby Burn R34.

We are selling this Arrowquip Chute (like New) to add to Kyle's memorial.

Kyle Olson Memorial Scholarship

Established in May 2024

Few are lucky enough to have been born with their vocation predestined. Kyle was one such man. Born a farmer, his hobbies and activities tied him ever closer to the land his family had farmed for nearly 40 years. In high school, Kyle was a member of the Spruce Hill Rangers 4-H Club raising and showing turkeys, pigs, and cattle at the Douglas County Fair and the Minnesota State Fair and was a Parkers Prairie FFA Chapter member whose dedication to farming would earn him State Degree, Star Chapter Farmer, and a Star Chapter Placement honors. Kyle attended Parkers Prairie High School and was a graduate of Ridgewater Community College in Willmar.

After graduating college, Kyle returned to the family farm in Parkers Prairie where he continued his passion of farming by raising turkeys, growing various crops, and started his own cattle herd, many of which came from his friend, Matt Hoffman.

At too young of an age, his father retired from farming to join the Lord and Kyle, at 23 years old, carried on the Olson farming. We have been blessed to have Kyle in our lives and as a great friend. Last spring we lost him to a farm accident but Heaven gained a great one. In his memory, this scholarship was established.

Each year two students from Parkers Prairie High school will be selected to receive \$500 to be used towards further education in an agricultural related field.

APPLICANTS WILL BE CHOSEN BASED UPON THE FOLLOWING CRITERIA:

- Enrolled in an agricultural related program at either a 2 or 4 year program
- Involvement in 4-H and/or FFA
- A passion for farming

IN MEMORY OF UNCLE STEVE

*And on the eighth day, God looked down on his planned paradise and said "I need a caretaker"
– So God made a Farmer*

God said "I need somebody willing to get up before dawn, milk the cows, work all day in the field, milk cows again, eat supper then go to town and stay past midnight at a meeting of the school board" – So God made a Farmer

"I need somebody with arms strong enough to wrestle a calf and yet gentle enough to deliver his own grandchild; somebody to call hogs, tame cantankerous machinery, come home hungry, have to await lunch until his wife's done feeding visiting ladies, then tell the ladies to be sure and come back real soon, and mean it" – So God made a Farmer

God said "I need somebody willing to sit up all night with and newborn colt, and watch it die, then dry his eyes and say maybe next year. I need somebody who can shape an axe handle from a persimmon sprout, shoe a horse with a hunk of car tire, who can make a harness out of hay wire, feed sacks and shoe straps, who at planting time and harvest season will finish his forty hour week by Tuesday noon and then, paining from tractor back, will put in another 72 hours" – So God made a Farmer

God had to have somebody willing to ride the ruts at double speed to get the hay in ahead of the rain, and yet stop in midfield and race to help when he sees first smoke from a neighbor's place – So God made a Farmer

God said "I need somebody strong enough to clear trees and heave bales, yet gentle enough to wean lambs and pigs and tend to pink-combed pullets; who will stop his mower for an hour to splint the broken leg of a meadowlark. It had to be somebody who'd plow deep and straight and not cut corners; somebody to seed, weed, feed, breed, and rake and disk and plow and plant and tie the fleece and strain the milk and replenish the self-feeder and finish a hard week's work with a five-mile drive to church. Somebody who would bale a family together with the soft, strong bonds of sharing; who would laugh and then sigh, and then reply with smiling eyes when his son says he want to spend his life doing what dad does" – So God made a Farmer
