2020
ANNUAL

Production Sale

**Saturday, March 21, 2020
12:00 Noon**

At the Farm, 2569 220th St., Canby, MN 56220

Selling 69 Head • Stout Performance Bulls, Open Heifers & Breds • Simmental & SimAngus™

Welcome!

6th Annual Rockin H Simmental Production Sale 2020

Welcome fellow cattleman and women to our sale! It's hard to think that another year has gone by and here we are back to our sale again. What a crazy year it has been! We battled with mother nature, yet again, family health, grain markets, late field productions. It is so frustrating some days, then we wake up every morning look out the window and it all makes sense as to why we are farmers and ranchers. Waking up each day with our family at our side, knowing we have everything we need (which is each other) and a roof over our heads. Every farmer and rancher are appreciated – farmers and ranchers are the heart of this world.

The cattle we are offering this year are born and raised right here on our ranch in southwestern Minnesota next to the Buffalo Ridge. Fed and developed for longevity and performance. As cattle feeders ourselves, we know the importance of having cattle that excel well in the feedlot, that grade and yield at the highest potential to satisfy our industry's demands. In the end, it's pounds that pay and it is very important in today's farming economy to get to that end weight faster. With all this in mind, our bulls are once again put through a series of performance evaluations along with structural evaluation tests over time, to make sure we are only supplying you our best bulls for today's high demands in the cattle industry. The bulls will once again be scanned and weighed again about 2 weeks prior to the sale so we will have more information on their carcass evaluations and rate of gain tested to offer you the best data on the bulls sale day.

The open heifer offering is always hard for us to put together. As we select them off the top of our replacement pen, we are offering our top genetics for your appraisal. If I said it was easy for us to let heifers go, we would be lying. But we know the importance of keeping our program on track along with supplying our customers with our top genetics. Another new addition this year will be offering a select group of bred heifers and young cows that are due to calve the end of March to May. They are a great solid set of young females that have a bright future ahead of them. The breds have been ultrasounded and confirmed pregnant and they have had scour boss 9 and 4 vac. Plus, have been poured with clean up so these young cows are ready to calve. The bulls can remain here again free of charge until April 1st with delivery options available before and after April 1st. If you are unable to take them after April 1st, they can stay on our farm for \$3.00 a day for feed and yardage.

All of the cattle will be videoed and available at our web page www.rockinhsimmentals.com to be viewed ahead of time. Our sale will be an all video sale again. If you want to view the cattle ahead of the sale, we would be more than happy to have you swing by and go through the offering, just give us a call. If you are unable to make it sale day, we will once again have liveauction.tv available and any of the sale staff and sale representatives can assist you as well with bidding if you want to bid over the phone. Bring your trailer sale day and take your bull home and we will give you \$100 off every bull you buy from us.

If you have any questions on any of the sale offering, please give us a call. We will be more than happy to help you out with any questions you have or would just like to talk cattle.

Please join us March 21st at our farm North East of Canby at 12:00 sharp for our 6th Annual Sale. Come early for lunch and to view the cattle we would love to see everyone there.

Matt and Holly Hoffman
Chuck and Lorie Hoffman

Rockin' H Simmentals Annual Production Sale

At the Farm, 2569 220th Street, Canby, MN 56220

Motel Headquarters:

Canby Inn & Suites • 507-223-6868 • 127 1st St W, Canby, MN 56220

Rockin H Ms. United D80Z
LHT Miss Upgrade 80Z

A super fancy, stylish big bold ribbed turnpike daughter out of a great young United daughter. Another herd stand-out ranks in the top 1% for YW. When we ran this heifer out of the chute after clipping we unveiled the true beauty in this powerful but yet elegant heifer. She has that stop and stare at me presence to her. We feel that Ms. Turnpike has a ton of potential to hit it out of the park for you. She is backed by a very powerful sire and maternal grandsire. **We would like to reserve the right to retain the flush of a minimum of 6 embryos at the seller's expense and the buyer's convenience.**

Ms. Gemma is the natural born calf out of our Grand Champion Cow/Calf Pair from the MN State Fair in 2019. Out of Hook's Black Hawk, a super deep, bold rib shaped, big square hip and a clean cool front. This young heifer is broke to halter and would make a great junior project and an even better cow. Super Disposition with a great set of EPDs.

One of our favorite breds on the ranch out of the Cowboy Cut and our Ms. Ollie donor. She is built extremely well from front and back. Cool and clean fronted, wide square topped and hiped, big rib shape, super easy on the move. Ms. Cowcut posted a great set of EPDs. Make sure to look this sweet heart up sale day. Due 3-28 to Rockin H Mr. Bismark.

This is a really nice set of bred females that we are offering only because we are shortening our calving dates up. The breds have all been vaccinated with Scour Bos 9 and 4 and poured with clean up.
