The pleasant weather and welcoming atmosphere attracted a large crowd to the 13th Annual "The Gathering" at Shoal Creek Sale. Held on Saturday, April 6, 2024, at the farm close to Excelsior Springs, Missouri. The event featured an impressive selection of show heifer prospects, bred females/pairs, herd sires, a proven donor, and frozen genetics from the core of the Shoal Creek Land & Cattle breeding program.

Thank you to all who expressed interest, placed bids, and made purchases during the 13th Annual Sale! Your participation and support contributed to a successful event. We look forward to watching the success of these genetics in your herd!
