# THANK YOU

The SK Cattle Complete Simmental Dispersal Sale was held Saturday, November 14, 2020 at Aberdeen Livestock in Aberdeen, SD. After more than 30 plus years in the Simmental breed, this day was bittersweet for the Kappes family. It was humbling to see so many people in attendance and online and knowing the sale offering sold to some elite programs in the breed in 16 states.

*Thank you from the Kappes family for your support over the years, believing in our breeding program and the many years of friendship.*
