SALE REPORT

2020 Trauernicht Simmentals 45th Annual Production Sale **Sunday, February 16, 2020 • Beatrice, NE**

50 year of breeding Simmental Cattle - what a milestone! The 2020 Trauernicht Simmental Production Sale was held at the new sale facility at the farm near Wymore, NE, on Sunday, Feb. 16th. It was a celebration of true dedication to the beef industry and the Simmental breed with a passion for powerful performance while keeping the important traits of structure, calving ease, maternal ability and longevity in the total package. The overflowing crowd is a testament on the functionality of the cattle and more importantly the strong customer support this firm is known for.

Thank you for celebrating with us the past 50 years! It was wonderful to see so many customers return and fun to meet new customers and friends as well. It is the goal as the next generation continues the LHT brand to be your seedstock provider for many years to come. Our gates are always open so stop by any time!
