TRAUERNICHT SALE FACILITY - WYMORE, NE

SALE REPORT

The 2019 Nebraska Platinum Standard Female Sale powered by Trauernicht Simmental was held Sunday, December 15th at the all new state-of-the-art LHT sale facility at the farm near Wymore, NE. As tradition would have it, we can't have a LHT sale without snow and Mother Nature came through again and provided some pretty dicey road conditions but a large crowd braved the weather to attend the sale. It was appropriate to have the new facility

as this marks 50 years for the LHT program in the beef business. The sale had a combination of bred heifers, open show prospects, cow/calf pairs, proven cows and a select set of fall herd bull prospects. The host firm rolled out the red carpet to their customers with great hospitality. Guest breeders this year were State Line Simmentals, Neumann Farms and K & L Simmentals.

To our loyal customers, we simply say "Thank You" for your continued support and for allowing us to be your seedstock provider. Stop in anytime to visit about the beef business and mark your calendar for the upcoming bull sale at the farm on February 16th, 2020.
