CHS MIRACLE OF BIRTH CENTER
MINNESOTA STATE FAIRGROUNDS
ST. PAUL, MINNESOTA

The 3rd Annual White Satin On Ice Embryo Sale has become one of the favorite highlights of the activity packed MN Beef Expo held at the MN State Fair grounds. The progressive breeders from the upper Midwest gathered at the CHS Miracle of Birth Center for fellowship and to purchase top frozen genetics. Events like this could not happen without the support of the breeders and our sponsors. Three of the top embryo facilities in MN that sponsor White Satin are Diamond K Genetics, Polzin Embryo Center and Tri-County Veterinary Clinic. The embryo offering this year featured top females from the Angus, Red Angus, Hereford, Simmental and Charolais breeds as well as outstanding club calf genetics.
